

● ● ● ● ● ● ● ● ● ● ● ● ● ●

Complications related to the disease affecting people with diabetes are numerous. Heart disease is the leading cause of diabetes related death. Stroke, blindness related to diabetic retinopathy, dialysis treatment due to end stage renal disease and non-traumatic lower limb amputations are some of the related complications.

WHO SHOULD ATTEND
Physicians, nurses, social workers, dietitians
and quality improvement professionals.

and quality improvement professionals.
