*Presents Our  
Winter Seminar  
“Regulatory Update”*

*By Joanne Maxwell, RD, MA*

Our morning session will focus upon information essential to dietitians and managers of health care facilities regarding current and upcoming federal and state regulatory revisions, how to avoid the top dietary deficiencies, and what to look for in the future. Our speaker, Joanne Maxwell, is leader of the NJ Department of Health and Senior Services survey team.

**“Review of Current Diabetes  
Medications”**

*By Barbara Skinner, MS, RD, CDE*

Our afternoon speaker, Barbara Skinner, will offer her experience and perspective as a certified diabetes educator and registered dietitian with an overview of the latest medications being used to treat diabetes, with emphasis on the role of the registered dietitian in the management by the health care team.
